Target market of the Career Fair:

The Career Fair's objective is to entice young people to consider a career in the agricultural/horticultural/food industry, and the focus is on first-year BSc Biological Science students, many of whom have not yet decided on an area of specialization from their second year onwards, agricultural students currently registered at both the undergraduate and post-graduate level and students from other disciplines such as B.Com and Engineering.
Estimate number of students: 10 000.

Terms & Conditions:

- x All items are supplied on a hire basis and remain the property of the sub-contractor;
- x Booking of preferred stand numbers cannot be guaranteed and is subject to availability;
- x The organizers reserve the right to change to floor plan, depending on the state of affairs;
- x Exhibitor will be allowed to exhibit unless full payment has been received.
- x Cancellations: Cancellations of bookings received before 25 April 2018 will be refunded less 25% handling fee. Cancellations of bookings received after 25 April 2018 will not be refunded.
